

## Heavenly Father, Almighty God

You are the Sovereign Lord and  
I honor you and acknowledge you as the Living Creator.

I surrender my will to yours,  
for your ways are higher than mine and Your love, perfect.

Please reveal your destiny for my life,  
showing me the path that I am now to take.

Forgive me of all my iniquities,  
those mistakes I willfully chose to make in spite of knowing right from wrong.  
Heal the deep wounds those sins have left and transform my life.

Remove all generational curses I inherited and any that I have brought upon myself.

Transform me, filling me with Your Holy Spirit and grant me great favor with God and men.

Deliver me from my present troubles.  
Restore to me all and more that has been stolen from me or lost.

Remove from me my shame and replace it with respect.  
Give me a place and a work to do in Your Kingdom.

Fill my life with love joy and the Holy Spirit.  
Reveal to me the Secrets You long to share.

May my soul prosper and good health abound.  
May I walk with the Redeemed, counted in their number.

Let nothing and no one stand in the way of our relationship.

With love in the name of Your Son, Jesus Christ, Amen.
